Care of Hazard Gragg

R L D No. 1

Sunday Afternoon

My Dear Barbara.

Your nice letter came yesterday and I am glad to know that at last you got your suite case what a shame did they have to go from the ranch to the station the second time. Tuesday being the 4th of July I didnt get my trunk untill Wednesday afternoon and I begin to wonder if they had gotten on

cheeks mixed I know you
are having a nice time
and I hope you will run
and play and get real fat
I wish you could see this
place it is so pretty right in
the woods. the Normal where
Aunt Sue teaches is only about
as far as your house out ^{to} ^{Missouri}
to ^{Missouri} St ^{for} our Bungalow.
and then about seven other
little houses very near us
where the different teachers and
some of the students live

one thing I miss very much
there isn't a child anywhere
about the place. so you may
know how I would like to
see the Byrnes kiddies tell your
Aunt Edith the apples were fine
and we enjoyed them immensely
fruit & vegetables are not so
plenty - as at Santa Cruz. we
didn't go down town - the 4th
but sat on the edge of the
hill and saw the fire works
in the evening it is very quiet
here once in a while an auto

goes spinning by. I am glad
you are having such a nice
time hope you will write to
me again. Aunt Susan is
busy writing but sends her
love to both you and Aunt Edith.
I wish you were near enough
to stop in and see us real of ten
now I must stop with love
to Aunt Edith and heaps to
yourself. remember me kindly
to your Uncle

Your Aunt

Anna.
